APPLICATION FOR INTERIM FEES AND EXPENSES BY THE HENDERSON LAW FIRM

NOW COMES The Henderson Law Firm (the "Applicant"), which makes this Application for an allowance of interim compensation for professional services rendered and reimbursement for actual costs and expenses incurred in its performance as attorney for the Debtor in connection with these proceedings. In support thereof, Applicant respectfully shows unto the Court the following:

1. On July 5, 2016, the Debtor filed with this Court a voluntary petition for relief under Chapter 11 of the Bankruptcy Code. On July 28, 2016, an Order was entered by this Court authorizing the employment of The Henderson Law Firm as attorney for the Debtor.

2. Applicant contends that it has spent the following time in performing the services referred to herein and it is informed and believes that its services rendered herein as counsel for the Debtor are reasonably worth the sum set forth below and that it should be allowed and paid said sum as professional fees and expenses as the cost of administration of the bankruptcy estate.

3. Attached hereto as Exhibit A is a detailed description of the services performed and expenses incurred by Applicant in the bankruptcy proceeding. In summary, Applicant expended 120.32 hours in rendering professional services from June 1, 2016 through February 15, 2017 as reflected in attached billing invoice dated February 20, 2017. The value of such services is $47,428.42. Applicant further incurred expenses and costs in regard to this proceeding in the amount of $1,717.00.

4. Attached hereto as Exhibits B and C, respectively, is a summary of prior fee applications and a summary of professionals/para-professionals included in this Application.

5. Attached hereto as Exhibit D is a background summary of each professional included in this application.

6. No agreement or other understanding exists between Applicant and any other person for the sharing of compensation received or to be received for services rendered in connection with these proceedings.

7. This Application is submitted under the standards set forth in a number of decisions of the United States Supreme Court and the Fourth Circuit Court of Appeals: Hensley v. Eckerhart, 461 U.S. 424 (1983); Blum v. Stenson, 465 U.S. 886 (1984); Pennsylvania v. Delaware Valley City Council, 107 S.C. 3078 (1987); Lilly v. Harris-Teeter Supermarket, 842 F.2d 1496 (4th Cir. 1988); Daly v. Hill, 790

F.2d 1071 (4th Cir. 1986); and Barber v. Kimbrell's, Inc., 577 F.2d 216 n. 28 (4th Cir. 1978), cert. denied, 439 U.S. 934 (1979). Under the rule of Barber, these standards include the time and labor expended; the novelty and difficulty of the questions raised; the skill required to perform properly the legal services rendered; the attorney's opportunity costs in handling the case; the customary fee for like work; the attorney's expectations at the outset of the case; the time limitations imposed by the client or circumstances; the amount in controversy and the results obtained; the experience, reputation and ability of the attorney; the undesirability of the case within the legal community in which the case arose; the nature and length of the professional relationship between attorney and client; and the attorneys' fees in similar cases. Under these standards, the compensation and rates requested herein are reasonable for services rendered by the Applicant in this case.

8. Applicant represents to the Court that it has served a copy of this Application with the attached exhibits and Notice of Opportunity for Hearing on the Debtor, the Bankruptcy Administrator, the members of the Creditors' Committee, if any, and their counsel pursuant to the Local Rules of this Court, and has served a copy of the Notice of Opportunity for Hearing on parties having requested notice under Rule 2002.

WHEREFORE, the undersigned respectfully requests that this Court enter an order awarding The Henderson Law Firm the sum of $47,428.42 for professional services rendered in connection with this proceeding and $1,717.00 in expenses and costs as reflected in the attached billing invoice.

This 1st day of March, 2017.
